

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

LAWRENCE S. ROBINSON, SR., No. C 06-7620 SI (pr)

Plaintiff, ORDER

v.

COUNTY OF SANTA CLARA;  
et al.,

Defendants.

Plaintiff's in forma pauperis application is DENIED as moot. (Docket # 10.) The action had been dismissed and judgment entered before he filed the application.

The dismissal was without prejudice, so plaintiff may file the same complaint to start a new action. To file a new action, he should submit a new complaint and a new in forma pauperis application. He should not write the case number for this case on the first page of either document. The clerk will give the new complaint a new case number when it is filed.

IT IS SO ORDERED.
